INVOXIA
PET TRACKER

Invoxia's Pet Tracker is the ideal tracker to never lose your pet again.

Light and with a great battery life, it combines GPS and geolocation technology of neighbouring Wi-Fi networks for a high-precision tracking in the city or the country-side. A 3-year subscription to low-consumption network Lora/Sigfox is included (€9,99/year the following years).

Keep an eye on them
Up to 3-months battery life

Only 15 grams

Waterproof IP67

For any size of collar

Be notified whenever they walk away

The app allows you to track your pet, set up "virtual fence" zones, and to be notified whenever your pet enters and/ or exits these zones, as well as trace the paths taken over a period of your choice.

Find them wherever they are

Invoxia GPS
★★★★☆ 4,2/5 on App Store
