Version: **TS/007**

## **Valvoline™ Cockpit Spray Foam**

High quality cockpit spray to clean, protect and embellish the dashboard and other plastic parts in the car.

---

### **Applications**

Vehicle dashboard

### **Product characteristics**

Water based foam  
Subtle scent  
Excellent cleansing properties  
Antistatic  
Leaves no residue  
360° Valve

### Directions for use:

Before use, carefully read the directions on the packaging.

Valvoline™ Cockpit Spray Foam should be at room temperature before use. The processing temperature should be between 5 to 30°C. Shake before use.

Before treatment, switch off electrical installations.

Apply Valvoline™ Cockpit Spray Foam and allow to take effect so the foam can break. Then polish with a dry cloth.

# PRODUCT INFORMATION

## Health & Safety

This product is not likely to present any significant health or safety hazards when properly used in the recommended application and good standards of personal hygiene are maintained. Reference is made to the Safety Data Sheet (SDS) which is available on request via your local sales office or via the internet <http://sds.valvoline.com>

## Protect the environment

Take used chemicals to an authorized collection point. Comply with local regulations. Do not discharge into drains, soil or water.

## Storage

We recommend to store all packages under cover. In case outside storage is unavoidable, drums should be laid horizontally to avoid the possible ingress of water and damage to drum markings. Products should never be stored above 60°C, exposed to hot sun or freezing conditions.
