

SOLUTIONS for Large Hole Beads

Bead Bars:

Turn your favorite large hole beads into instant jewelry with these fuss-free findings. Four versatile lengths provide plenty of options to mix & match with large hole spacers & caps.

Large Hole Spacers & Caps:

Open the door to using leather, ribbon, hemp, cord & more. Combined with your imagination the possibilities are endless with these beautifully made accent beads.

Glue-Ins:

An elegant way to use your favorite large hole bead as the center-piece of a pendant or a link. In mere seconds, you'll have a beautiful piece of jewelry.

BeadAligners™:

Now it's simple to use large & small hole beads on the same stringing material with no wobbles, gaps or glitches.
