## 34" UltraWide Curved WQHD Monitor [X2K34AC]

The X2K34AC ProXtend 34" Curved WQHD LED display is designed with the multitasker in mind allowing for an uninterrupted flow between tasks with its 3440 x 1440 display resolution, 144Hz refresh rate and 1 ms response time.

Although new, the curved screen technology is taking the gaming World by storm. Combined with its high refresh rate and low response time, the ProXtend 34" Curved WQHD monitor offers a more immersive experience, minimizing eye strain and enhancing your field of view to ensure maximum efficiency whether you are working, or winding down with a game after a hard day at work.
